**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My area has been promised fiber for 5 plus years and still no access. Adding competition in this space may allow me to get faster access to the internet at a competitive rate when fiber comes to my area. Do not let anti-competition rule the day in America. The rights for all businesses to compete on service and price should be a cornerstone of capitalism.
